Thank You: HPF Winterthur

We were very appreciative of all the toys and other children's items donated for families served by [Heilpädagogische Frühberatung Winterthur](#). Many thanks for all of your generosity. You will make some children very happy!

We have been delayed in getting the collection to HPF because we had concerns about travel and contamination during the Covid-19 pandemic. We're pleased to share that we have devised a safe way to get things delivered to their offices. The staff have still been making home visits to families, and sometimes bring toys for the children, so this is the perfect time to pass everything along. Thanks again you all!
