

ZHARITY NEWSLETTER

June & July 2020

Switzerland has begun to reopen and we feel lucky that so many things, from walks in the mountains to drinks by the lake, are possible once more. However, for many - both inside and outside Switzerland - the hard times are still not behind them. We continue to send well-wishes to our community and hope that you are all staying safe. If you would like to support others right now, please read on for more information on our upcoming events and collections.

Zharity General Assembly: New Date Announced!

Monday, June 22nd 2020 from 8pm

Please join us for our 2nd General Assembly!

This meeting is open to all Zharity members, supporters, and anyone who is just interested in hearing more about who we are and what we do.

This is an especially great opportunity to hear about what Zharity has been doing this past year and what we have in the works for the future. We'll have updates on our Collections Team as well as on our work to grow our Corporate Social Responsibility programming. We are also excited to announce new programming to support refugees in Switzerland and abroad.

We are happy to report that we have nominees for the positions of President, Treasurer, and Secretary. Each nominee brings a wealth of experience to the position and we are fortunate to have them join Zharity. We'll hold formal elections at the meeting.

This meeting will be held virtually. **Please sign up on our website by June 19th**, so that we can send you a link to join the call.

We look forward to welcoming you!

Zharity Children's Collection for HPF

There is still time to donate to our collection for HPF Winterthur - until June 24th!

HPF is an early childhood program for children with special needs. Many of the families HPF serve do not have the resources to easily buy toys and other items for their children.

If you would like to donate, please follow the below link for details on items HPF needs and Zharity collection points around Zurich.

Many thanks everyone!
