Let the Spring Cleaning Commence

Our Spring/Summer Collection is now open and we would be so appreciative if you could help fulfil the wishes of our partner agencies and the people they help.

Some items we are seeking include: gently loved Spring and Summer clothes for all ages, reusable clean grocery bags, specific women's needs (gently loved bras, new sealed makeup, sanitary pads).

If you are cleaning out your Spring/Summer wardrobe this March, or you are able to donate the new items requested, please follow the link below.
