## Zharity Membership and General Assembly

As you know, Zharity is now an official association! We'll be welcoming our new members this year with a **General Assembly at 19.00 on April 3rd**. Please **join us** as we plan events and volunteer opportunities throughout the year.

Many of you have already submitted membership applications (which can be done through **our website**). In the next few weeks, we'll be contacting you to set up the payment for your membership plan, which will also be available on our website!

If you're interested in becoming a member, we offer three levels of membership - personal, family, and associations/legal entities. Your financial contribution helps support our activities and events. Please feel free to **contact us** if you have any questions or would like more information about becoming a member.

**Join us for our upcoming events**

## Knitting for a Cause

Ready your needles ... we're knitting for a cause! This spring we'll be hosting several knitting meet-ups to make baby hats (Baby-Mützli) for newborns at **Triemli Spital**. Be on the lookout for a yarn collection in March to support this project.

## Global Recycling Day

This year the Zharity Earth team will celebrate Global Recycling Day by rolling up our sleeves and doing some feel-good fieldwork on the streets of Zürich. You don't have to be able to run to come plogging!

**Sunday March 17th** will be the family friendly event. We'll meet at 10.00 at **Fischerweg tram station**, and at 10.15 we'll get started!

Then on **Monday March 18th** we'll meet at 15.00 at **Tessinerplatz**, and at 15.15 we'll be on the move!

## Another Successful Collection!

A huge thank you to everyone who donated denim for Social Fabric! We're thrilled to be able to support this organization. The denim we collected will go toward making backpacks. Be on the lookout for future opportunities to support their incredible work through collections!

## Tip of the Month!

You can help refugees by donating food and other goods to Remar S.O.S Flüchtlingshilfe. Check [the website](#) for their current needs.
