Save the Date: Sonic Ocean Screening

Zharity Earth is excited to let you know that some time in October we will be hosting a showing of Sonic Ocean. Check out the teaser [here](#). The goal is to:

- Highlight an under-discussed problem of noise pollution facing the world's oceans
- Educate ourselves
- Come up with ways we can help

The screening will be in the evening and take place in Rüşlikon. We will be asking for a small donation to cover the cost of the viewing license. If you have questions please contact erin@zharity or hermina@zharity.

Good Zharity News

- Zharity's participation in [World Clean-Up Day](#) was an amazing success! We had twenty volunteers head to three locations and we picked up a lot of trash. Thanks so much to everyone who came out, got outside, and made Zürich an even better place to live.
- SUP it up! We had a stalwart team of saucy sisters get out and take Lake Zürich by storm. Great job learning to standUp paddle and help a good cause ladies!
